Payment Options

Pay \$2950 up front for your holiday accommodation. Then for each year over the next five years you can book 2 weeks free accommodation during off peak time, (or 1 week during peak periods) in the Noro Villa!

- Or Pay Deposit of \$950 and make 10 monthly payments of \$200.
- Completion of the first villa is expected by the end of 2019. So bookings can begin from 2020 through to 2024

Here are some things you may want to know...

- When the first ten people have registered and the local council signs off on the use of the foreshore* building will commence
- If you don't use your accommodation in any year, unused periods do not accumulate (use it or lose it)
- Currently airfares from Brisbane to Honiara (3 hours) then internally to Munda (1 hour flight then 30 mins drive to Noro) are approx \$1200 off peak. However it has been advertised by Solomon Air that they will commence direct Brisbane to Munda flights within 12 months, this will mean it will be only 3 hours and maybe \$800 for return flights

*Funds will be held in trust by WWM until final sign off on the use of the foreshore from the local council is obtained, then building will commence. In the event that use of the foreshore is not granted then payments received will be refunded, less a \$100 administration fee.
